

Gabi Powel, Pro

Gabi Powel, a local at Palm Beach of the sunshine state, grew up playing volleyball and basketball. When she made the transition to play golf at the age of 15, she fell in love with the sport. The transition was not easy for Gabi, but her hard work and determination lead her to make major improvement in her game which led her journey to play at Division I school at Florida International University.

Gabi was a determined and competitive golfer throughout her collegiate career. Only after two years at FIU she improved her scoring average by 8 strokes! She was a fun and hard-working teammate and after four years she earned her degree in Business Marketing.

Gabi brought her determination and hard work to Backswing Golf Events. After she did 52 events in a year, she was named 2021 Back Swing Golf Events Rookie of the Year. She not only brought her A game to the events, but also her sunshine energy. Gabi wants to continue playing golf through Backswing and bring fun and unique ideas for the events while supporting local corporations and charities as well as women's golf.
