

Kaira Martin, Pro

Kaira Martin is a professional golfer, recruiting director and pro manager at BackSwing Golf Events. Kaira has been at BackSwing from the beginning and is a veteran of BackSwing Events. Kaira was named most event worked in 2021 with 77 events.

Kaira begun her golf career competing at the age of 6, just trying to *smack* the ball as far as she could, then she fell in love with the game and the opportunities that it has provided her with. In 2009, Kaira was named Arizona State Highschool Girls Golfer of the Year, where she set the all-time Arizona 5A tournament scoring record by shooting 11-under and won the event. She was also a great academic student; she earned her bachelor's at University of Virginia with ACC Academic Honor Roll.

As soon as she became part of the BGE team, she found a new skill on the course that is not just her powerful swing; sales. Kaira showcased her personality in BackSwing Golf Events while she bombs drives or stick it to 3ft, she always makes sure everyone is having as much fun as she is.
